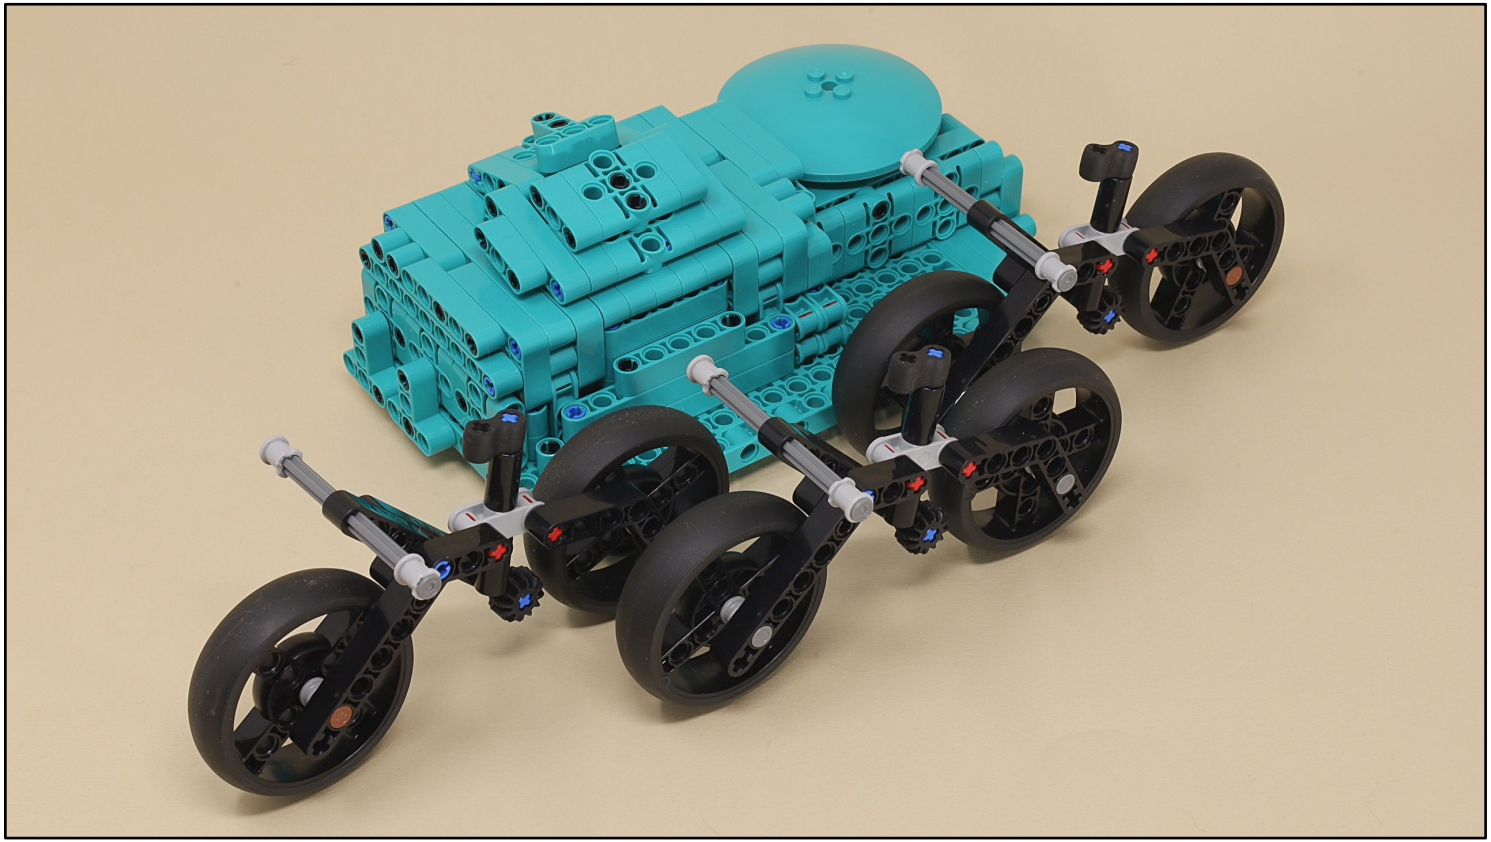
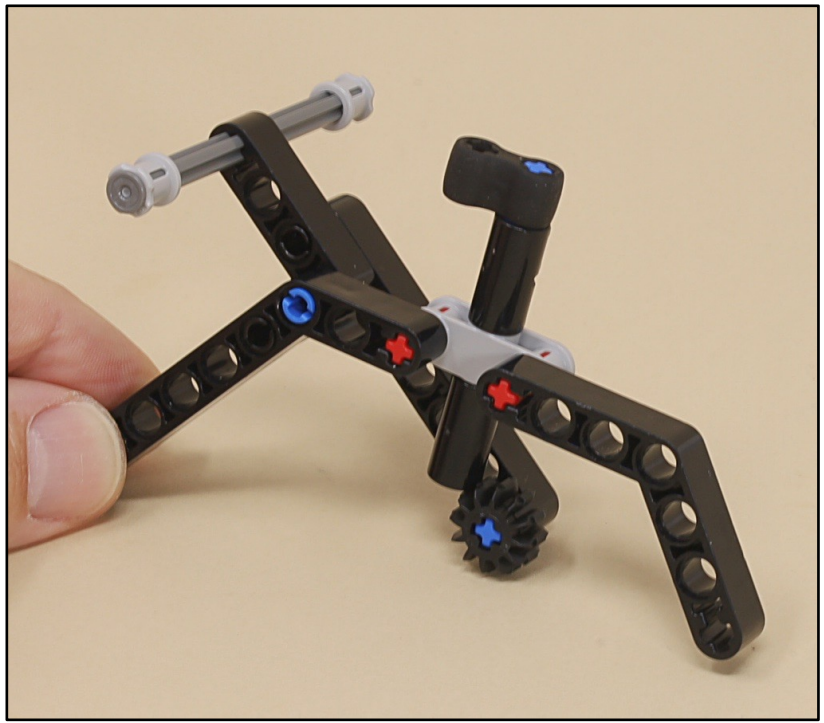
# Mountain Bike Race



Scroll for building instructions

©2021 by Dave Parker

First, build three Mountain Bike Frames:



(3x)

Mountain Bike Frame

…then continue here for the final assembly.

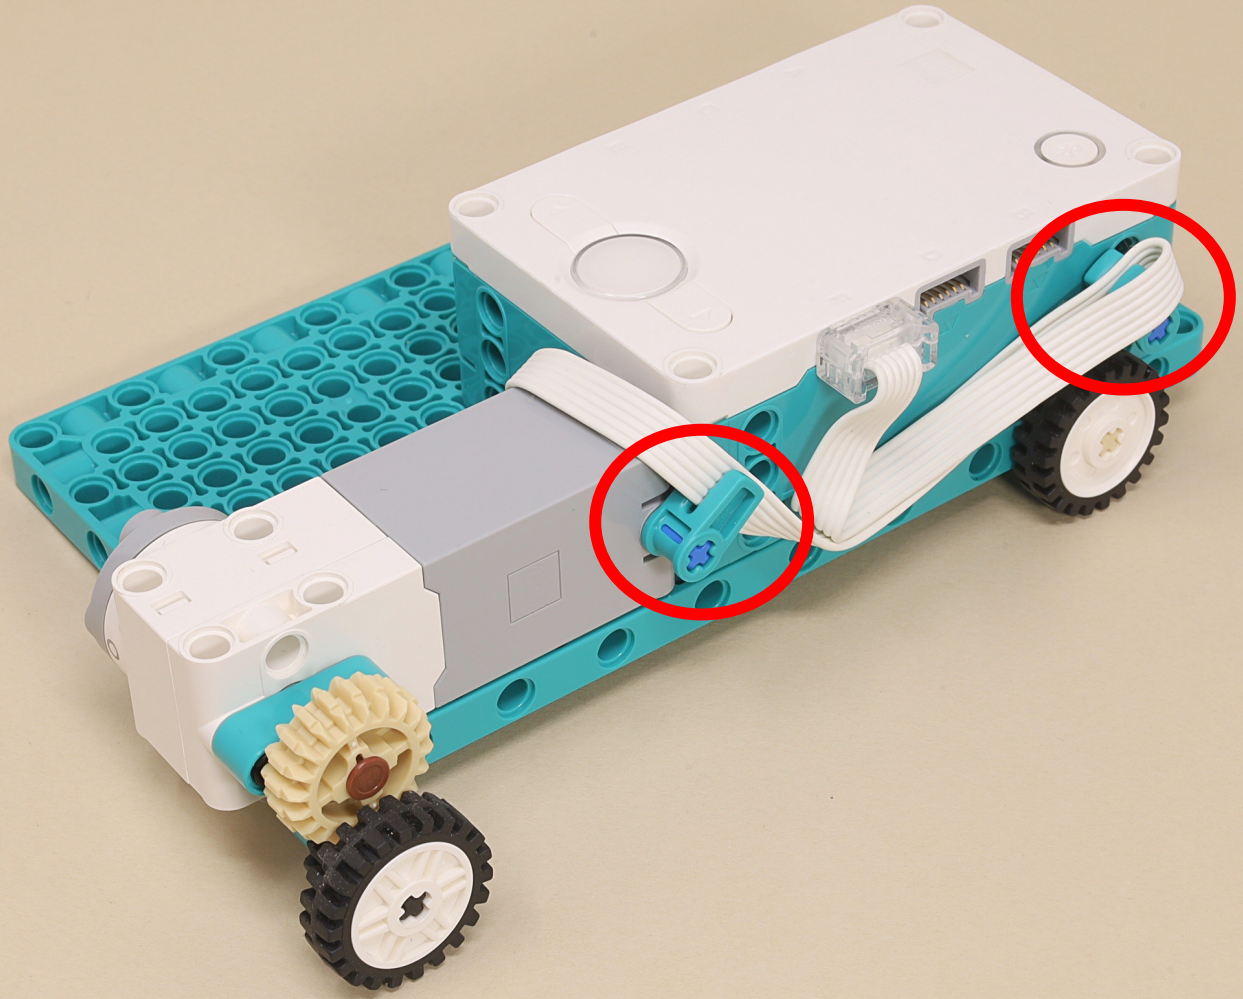
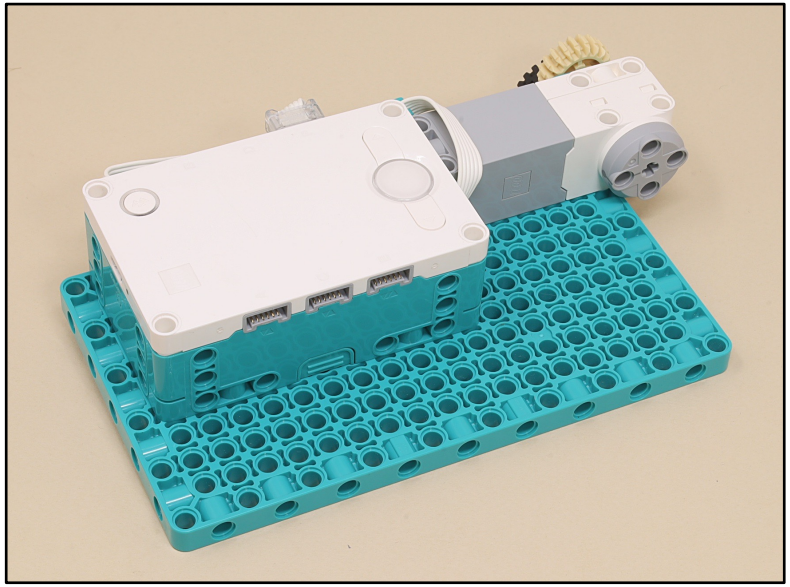
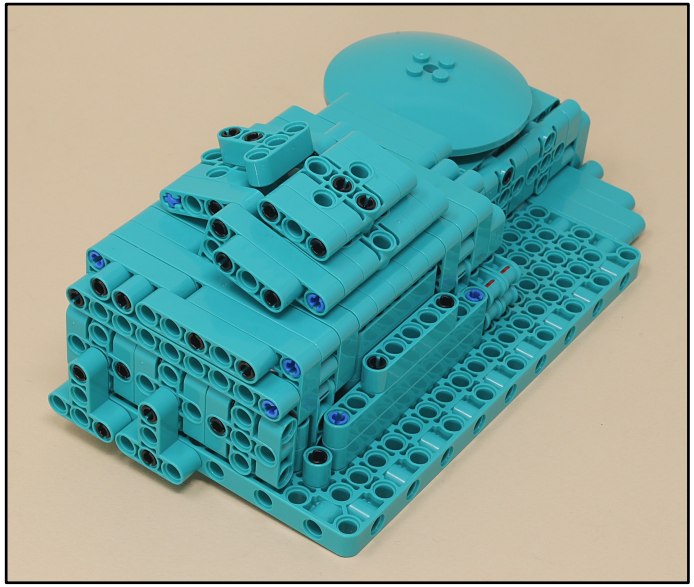
F = Drive Motor
F

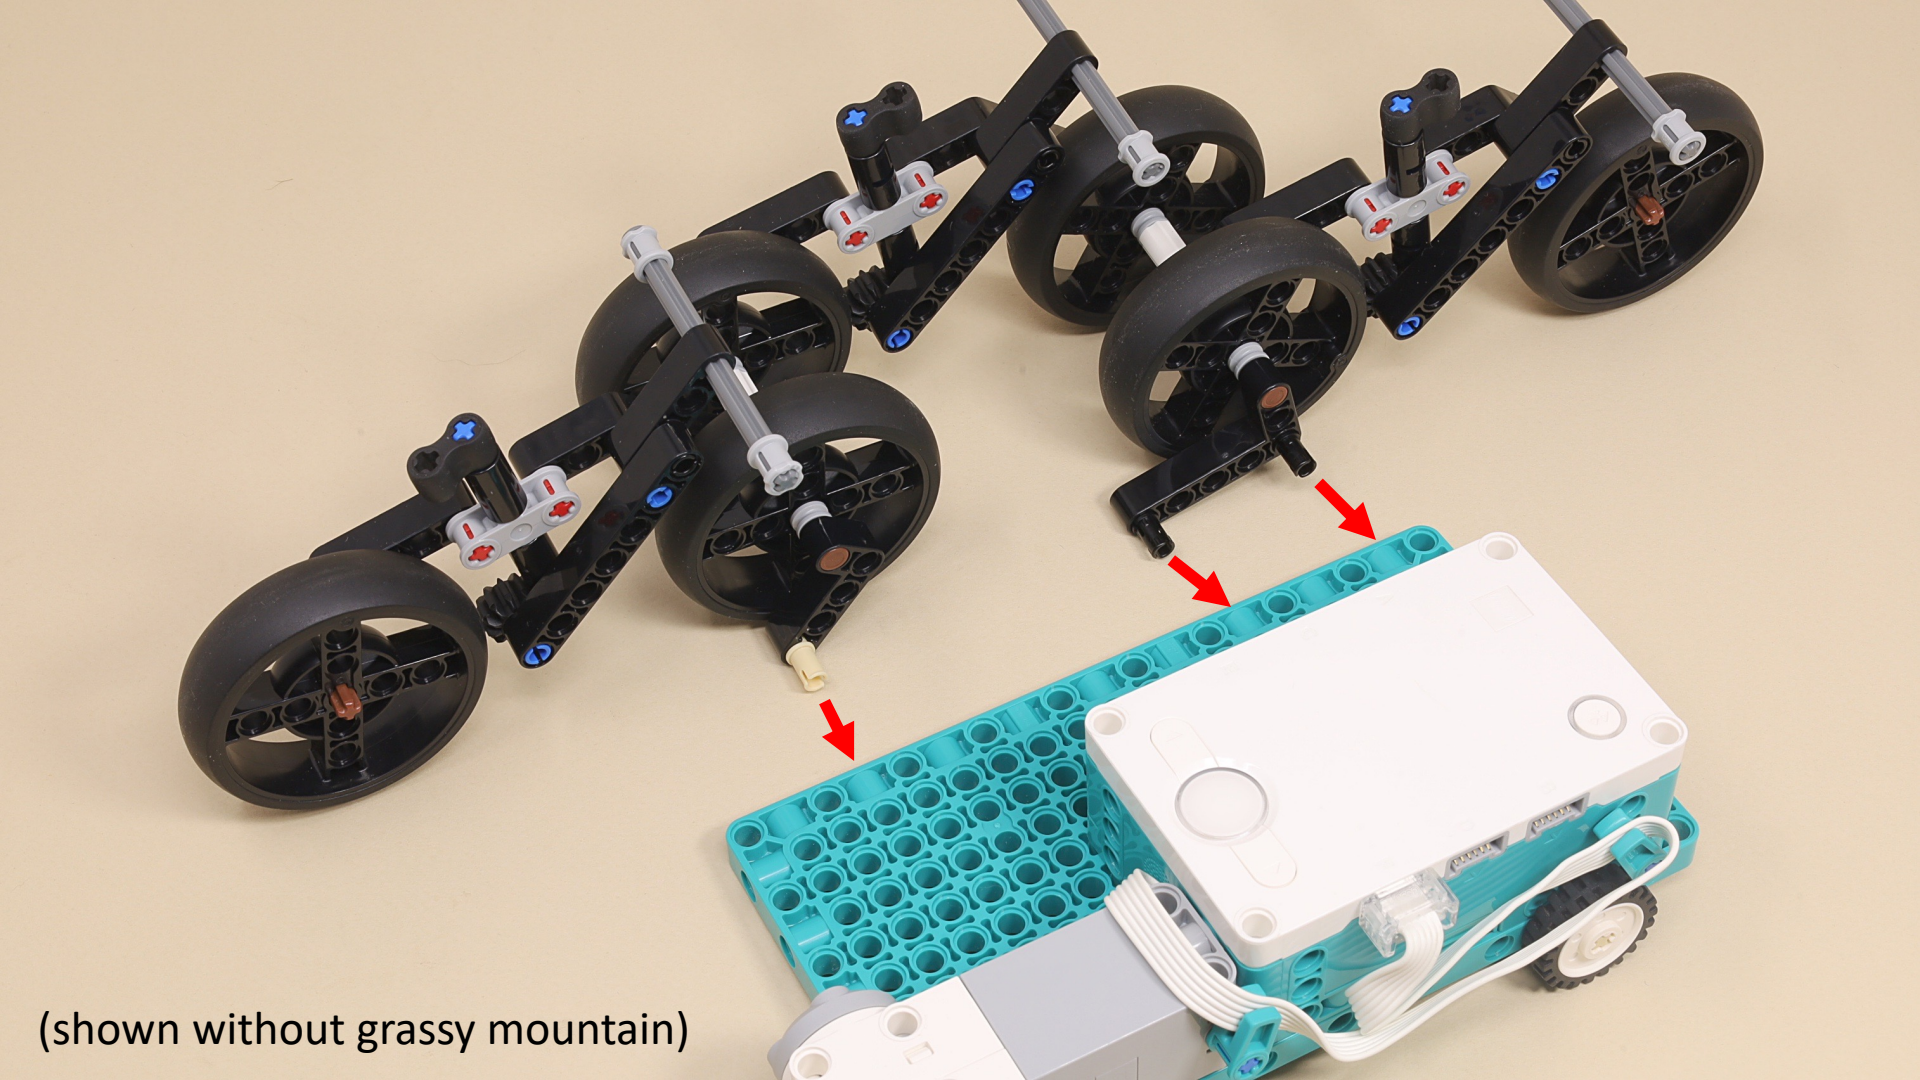


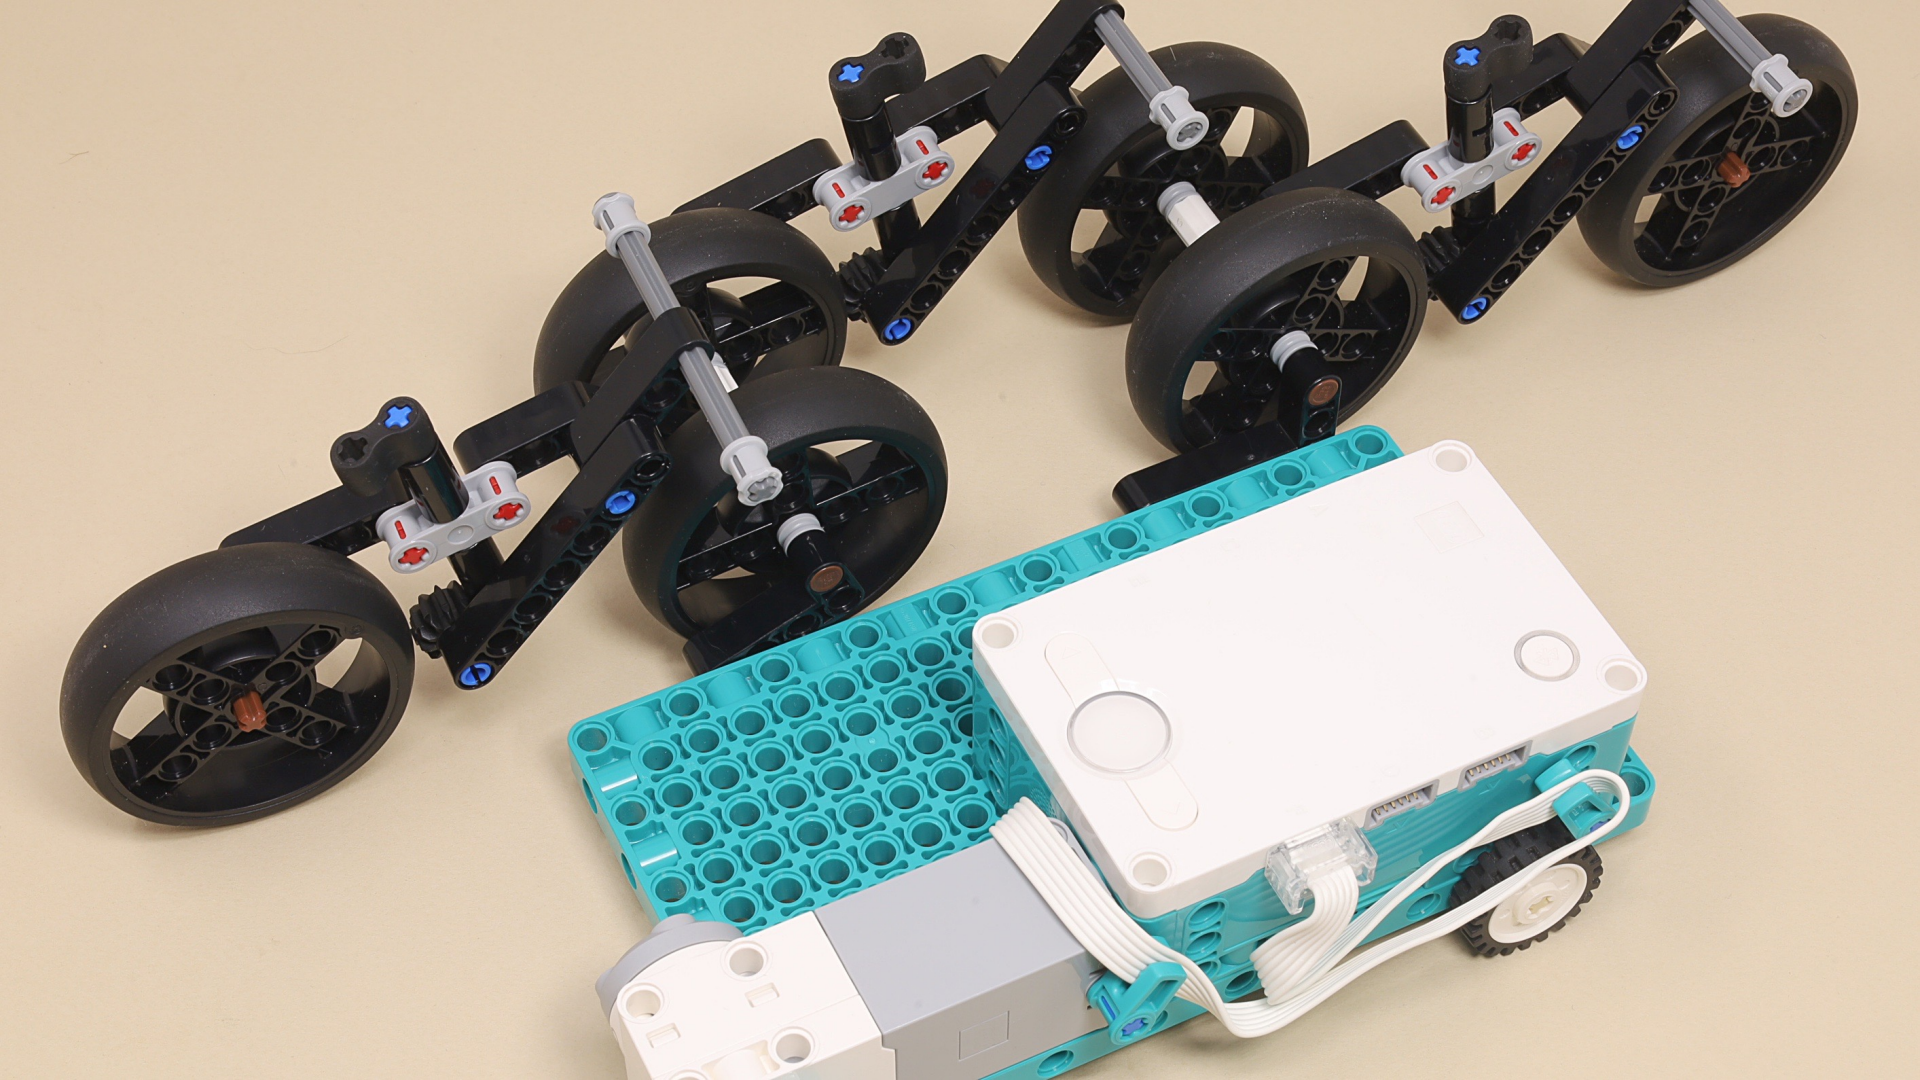
**Optional**: If you want to use a lot of teal-colored parts to disguise the brick and motor base as a grassy mountain, then follow the Grassy Mountain building instructions (or feel free to use your own way of doing it).
This won't affect the operation of the completed model.

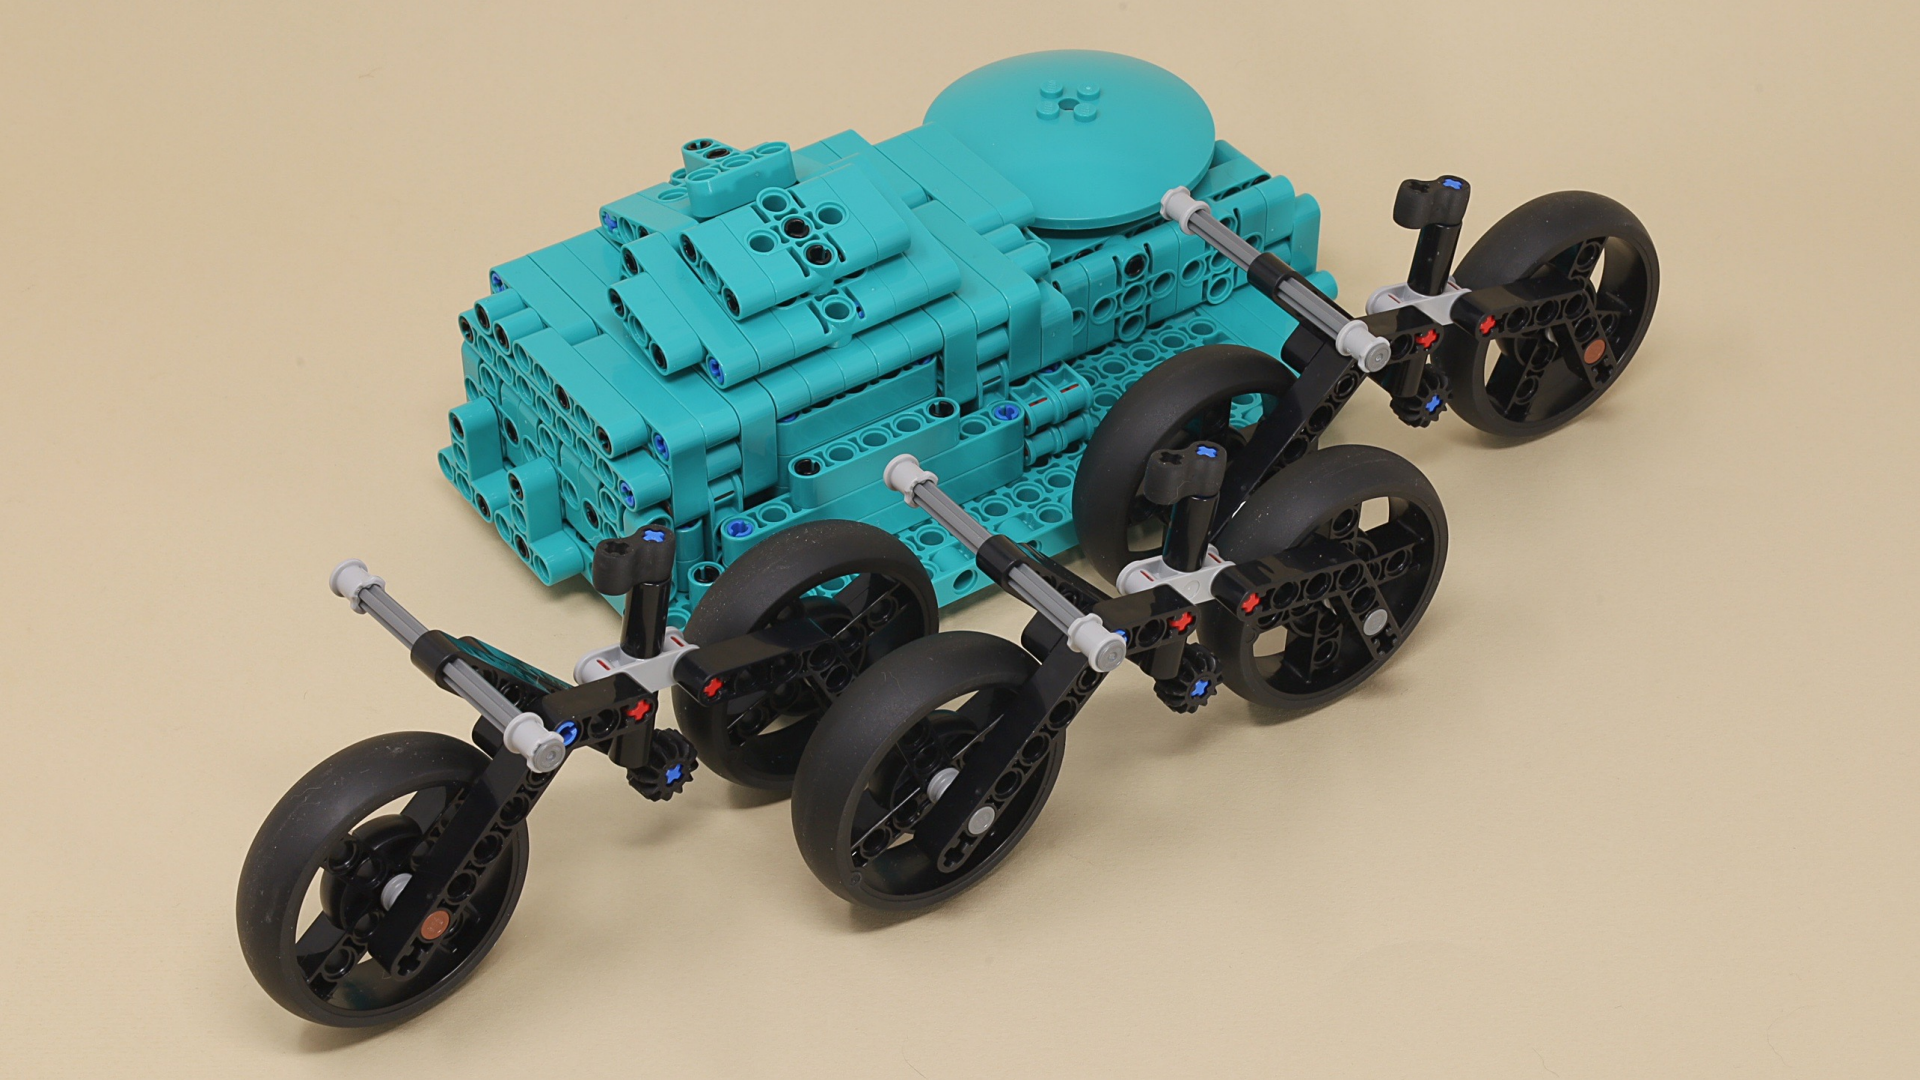




Grassy Mountain







(shown without grassy mountain)
